MISSION STATEMENT

ALPHABIT.co

Members of Social Media Platforms hold the true value. This is called "Social Capital" some members have more, other have less. ALPHABIT.co believes that the members of the social media platform should be rewarded and have a visual status of their capital on the platform.

Money Talks. Each member can easily create a following on the platform and earn tokens even if you are just into viewing and don't want to post any content.

As more and more use the platform value will grow and earnings will level out appropriately. Join sooner, earn more!
